

PROFILE

I am highly motivated to learn and adapt quickly in dynamic environments. I enjoy collaborating with teams to bring creative web solutions to life, and I am committed to delivering high-quality code that meets both user needs and project goals. My goal is to continuously improve my skills and grow as a valuable member of a development team.

SAI WAI KYAW

Junior Web Developer

EDUCATION

Myanmar Aerospace Engineering University

2018 - 2020

I am a former university student who studied at MAEU in Meiktila. Due to the COVID-19 pandemic and Coup situation in Myanmar, my second-year study period at the university have been on hold. Currently I have been studying web-development from 2022 to the present.

REFERENCES

- Matriculation Examination pass
- Programming Basic Course Certificate (Fairway)
- Professional Web Developer Course Certificate(Fairway)

TRAININGS/ EXPERIENCES

Learner

Oct 2022 – Present

I previously self-studied HTML, CSS and JavaScript. Currently, I am enhancing my skills through self-study after completing web training courses, utilizing my personal laptop. I am planning for further studies on the React and Tailwind.

Programming Basic Course [Fairway] (Sai Bo Bo)

Jan 2023 – April 2023

In this course, I acquired the skills and knowledge of Command Line Interface, Java, OOP and database programming (SQL).

Professional Web Developer Course [Fairway] (Ei Maung)

May 2023 – August 2023

I studied Bootstraps, JavaScript, PHP, MySQL, Laravel and API in this course and also found many resources in web development to continue self-study.
